09/2015 - ongoing

Consultant

U-Space srl, via Appia Nuova, 281 - 00182 Rome, Italy

Consultancy office: planning, urban policies and integrated strategies

1. Design, technical assistance and management of projects funded by European Territorial Cooperation programmes (including budget preparation, consortium building) for public administrations.

Fields/ priority axis: urban sustainable development, local development, resilience, environmental strategic and integrated governance.

Programmes:

- ENI CBC MED: 1<sup>st</sup> call
- INTERREG ITALY-CROATIA
- INTERREG MED 2<sup>nd</sup> CALL: PA 3.2
- INTERREG ITALY-MALTA
- LIFE+ (Nature & biodiversity)
- INTERREG ADRION
- INTERREG MED: 1<sup>st</sup> call - PA 3.2: "WETNET"

Client: CIRF – Italian Center for River Restoration  
Viale Garibaldi, 44/A - 30170 Venezia - Italy

2. Public housing planning & Strategic Environmental Assessment (SEA)

Client: Municipality of Lanuvio (RM)

3. Erasmus+ Eneplan E-learning content

Client: MIEMA – Malta Intelligent Energy Management Agency  
9c, MA Vassalli Street, Valletta VLT1310 - Malta

*Part-time commitment*

11-12/2017

Consultant

POLIEDRA Centro di servizio e consulenza del Politecnico di Milano su pianificazione ambientale e territoriale, Piazza L. Da Vinci, 32 - 20133 Milan - Italy

1. Technical support for the development of the LIFE+ project proposal "GREENCHANGE"
2. Technical support for the development of activities and deliverables of the project "LIFE Tiber Assist. Technical assistance to improve capacities and innovate competences for the finalization of LIFE IP TIBER APP proposal"

*Part-time commitment*

07/2017

Researcher (Tecnico Superior)

U.I.M. Unión Iberoamericana de Municipalistas

Plaza Mariana Pineda 9 CP 18009 -San José Baja 35 - 18005 Granada, Spain

1. Design & technical assistance of ERASMUS+ projects:

KA2: Capacity Building; Project: "CARE - Empowering Climate Resilience" (*funded*)

The project focuses on urban resilience to climate change. International cooperation aims to develop joint learning tools, go in depth on peculiar research and deliver support to policy makers. CARE aims at establishing a network among 5 EU HEIs & research centres and 10 Latin American universities to improve educational capacities on urban resilience and to transfer results and findings to an operational policy perspective at different territorial levels.

2. Development of the teaching methodology and implementation of the Intensive workshop for academic staff in Quevedo-Quito (Ecuador)

03 - 10/2016

**Consultant (Operational director)**

Municipality of Sermoneta (LT, Italy), Italia Nostra Onlus (LT, Italy)

1. Integrated planning of local development strategies: the local development strategy for a former quarry, was drafted through the engagement of local stakeholders (municipality, associations and cooperatives), practitioners and students during a 5 days workshop. <rescapeworkshop.weebly.com >
2. Organization of the workshop (selection themes, drafting of teaching modules, selection of teachers & students); Coordination with local institution, advisory board, local stakeholders.

1/2015 - ongoing

**Teaching Associate**

 Cornell University in Rome | College of Architecture, Art, and Planning  
 Palazzo Santacroce - Piazza Benedetto Cairoli, 6 - 00186 Roma, Italy

1. Teaching in the course: Rome Workshop <<http://bit.ly/2vzV9hu>>
  - lectures on urban planning in Italy and in Rome
  - designing the course research on multigenerational planning
  - organization of field study in Italy
2. Engaged research
  - organization of field research, facilitation citizens engagement & participation
  - Grant: "Engaged Cornell. A community based participatory research" (see Publ.1.)
  - organization of the final seminar "Generation comparison" with the participation of experts and citizens

*Part-time commitment each year from January to May*

02/2017 – 07/2017

**Consultant**

Italian Ministry for culture and tourism | General direction Art, Contemporary Architecture and Urban peripheries, Via di San Michele, 22 - 00153 Roma, Italy

*Monitoring of contemporary peripheries in Rome metropolitan Area:* Research aiming at the creation of an atlas providing information on metropolitan peripheries and on transformations of public spaces with particular reference to the cultural and creative sphere.

1. Project management, ensuring on-time delivery
2. GIS dataset and case studies development

11/2015

**Consultant**

ECOSET srl, viale Castrense, 00182, Roma

Urban regeneration plan for the municipality of Santa Maria a Monte (Pisa, Tuscany) to be founded within the "National plan for the social and cultural requalification of degraded urban areas" (L.23/12/2014 n. 190); masterplan and policy drafting integrating a set of services and measures of urban and social requalification aiming at reducing social marginalization.

01/2012 – 12/2014

2. Teaching:

- Lectures on regeneration policies and plans, contemporary urban transformation, densification of public housing neighborhoods, dismissed areas renewal;
  - Students' mentoring; assisting during exams.
3. Public presentations in seminars and conferences (Publ. 6, 9, 11)

---

 EDUCATION AND TRAINING

1/2012 – 06/2015

**Ph.D. in Territorial Policies and Local Development**

 Roma Tre University | Architecture department  
 Largo Giovanni Battista Marzi, 10, 00153 Roma RM

The doctoral programme focused on key topics related to urban and regional systems. A trans-disciplinary methodological approach fostered research projects and learning paths cutting across individual disciplines, such as economic, social and spatial dynamics of cities, urban governance, urban policies, local and regional development, the role of knowledge, innovation and creativity, migration dynamics, location analysis, social inclusion, diversity in public and private spaces, informality.

The PhD research focused on urban regeneration and local development on one side and on metropolitan cities policy analysis on the other. The final dissertation "The part for the whole. Building urbanity in the cultural spaces of SESC São Paulo" looked at the potentialities of integrating urban and cultural policies (focusing on social inclusion and cultural programming), as instruments of territorial regeneration and social inclusion for large metropolis and cities.

Visiting term at FAUUSP – Faculdade de Arquitetura e Urbanismo da Universidade de São Paulo, Brazil – Supervisors: Prof. Vera Pallamin, Prof. Regina Meyer (Fall 2013-2014)

10/2007 – 07/2010

**Master Degree in Architecture**

 Roma Tre University | Architecture department  
 Largo Giovanni Battista Marzi, 10, 00153 Roma RM

The Architecture track aimed at developing in students creative and innovative building/urban projects using design as a means to deal with the technical, social and spatial challenges encountered in the built environment.

- Dissertation title: *Infrastructure City. Architecture for the scattered Rome*. Graduated with full marks with honors (110/110 cum laude)
- Fellowship for the national seminar "VILLARD 9: Bologna Città dell'Architettura" (one year integrated project). Promoters: IUAV, Uni. Camerino/Ascoli Piceno, Uni. Federico II, Uni. Mediterranea Reggio Calabria, Uni. Palermo, Uni. Roma Tre, Politecnico di Milano, Uni. Genova, University of Patras, Ordine degli Architetti di Trapani

09/2006 – 07/2007

**Master Degree in Urban Architecture | Socrates-Erasmus exchange - One year fellowship in the master programme**

TU DELFT, Technische Universiteit | Bouwkunde Faculteit, Delft, The Netherlands

- International workshop "Projecting Tagus City", Lisbon. Promoted by: Terraventure - Network for Innovative Urban Research, in collaboration with TU Delft
- International workshop "URBAN BODY - Lost labyrinths in Beijing". Promoted by: TUDelft, Delft School of Design, SPACELAB - Research Laboratory for the Contemporary City, Tsinghua University – China

10/2003 – 09/2006

**Bachelor Degree in Architecture**

 Roma Tre University | Architecture department  
 Largo Giovanni Battista Marzi, 10, 00153 Roma RM

Graduated with full marks with honors (110/110 cum laude)

---

 PERSONAL SKILLS

Mother tongue Italian

Other languages	UNDERSTANDING		SPEAKING		WRITING
	Listening	Reading	Spoken interaction	Spoken production	
English	C1	C2	C1	C1	C1
	<ul style="list-style-type: none"> <li>FCE – Cambridge First Certificate in English, European level: B2 (2001)</li> <li>CERTIFICATE IN ACADEMIC WRITING, ROMA TRE UNIVERSITY - CLA (2013)</li> </ul>				
French	C1	C1	C1	B2	B2
	KNOWLEDGE MAINLY ACQUIRED AT THE SCHOLA EUROPEAN I, BRUSSELS. BILINGUAL EDUCATION PROGRAMS, IN ITALIAN AND FRENCH (1990-93)				
Portuguese	B2	C1	B2	B2	B2
	LEVEL 4 OF CCBI B - INTERMEDIATE COURSE (CENTRO CULTURAL BRASIL-ITALIA, <ROMA.ITAMARATY.GOV.BR>) GOOD KNOWLEDGE OF SPOKEN AND WRITTEN LANGUAGE, PERFECTED THROUGH STUDY ABROAD EXPERIENCES (DOCTORAL TRAINING)				

- Communication skills**
- Good written and verbal communication skills, gained through the doctoral studies (presentations, international conferences)
  - Good negotiating and influencing skills when speaking in public, to groups, or via electronic media strengthened by working with the EU cooperation programmes (wide intercultural partnership, public participation efforts)
  - Good ability to communicate effectively with a wide range of people, by showing interest and carefully listening to their needs, gained through the wide set of projects and training activities developed (EU projects, workshops, researches)
  - Curatorship and publishing of collective works such as iQuaderni di UrbanisticaTre: "*Generazioni a confronto. A multigenerational approach to planning*" (Publ. 1) & "*Coscienza urbana. L'evidenza di una mancanza*" (Publ. 4.) (setting of the thematic framework, inviting selecting authors & publishing the open call, selecting and reviewing the articles, ...)

**Organisational / managerial skills** Good planning, organisation and coordination skills. Thanks to various professional experiences, from teaching to practicing and participating in thematic working groups, I have gained the ability to negotiate in a positive manner and resolve problems proactively and with a good flexibility to deal with multiple and changing priorities, tasks and stakeholders or project partners. Responsible attitude targeted at ensuring completion of projects in a time efficient manner. Some experiences as responsible of organizing events and training activities are: RE-SCAPE – 6 days workshop; ERASMUS+ CARE 8 days workshop in Ecuador; Cornell seminar on Multigenerational planning.

**Job-related skills** Good capacity to design and programme project activities, following activities development and constantly improving my work and my working relations with the colleagues. Creative thinking to adapt to any type of work environment. Good research and analytical skills, including the ability to collect, analyse and present information in a clear and concise way; great attention to details. Ability to show initiative and self-motivation.

Digital competence	SELF-ASSESSMENT				
	Information processing	Communication	Content creation	Safety	Problem solving
	Proficient user	Proficient user	Independent user	Independent user	Independent user

- Proficiency with both Windows and Mac platforms
- good command of office suite (word processor, spread sheet, presentation software)
- good command of photo editing software (Adobe Photoshop CS)
- Vector Graphics and illustration: AutoCAD 2D, Google SketchUp, Adobe Illustrator;
- Desktop publishing: Adobe InDesign;
- GIS: fair use of Qgis
