

Mauro Marinelli

Architect, **franzosomarinelli** architetti

Ph.D. in Architectural and Urban Design, DASTU (Department of Architecture and Urban Studies),
Politecnico di Milano

Adjunct Professor

Of Architectural Design

School of Architecture, Urban Planning, and Construction Engineering, Politecnico di Milano.

Mauro Marinelli (Bozen, 06/09/1986) graduated with honours from the Faculty of Architecture and Society of the Politecnico di Milano in 2011

In 2016 he obtained a Ph.D. with honours in Architectural and Urban Design from the Department of Architecture and Urban Studies of the Politecnico di Milano, with supervisor Prof. Ilaria Valente (Politecnico di Milano, Italy) and counter supervisor Prof. Walter Angonese (Academy of Architecture of Mendrisio, Switzerland)

As an **architect, designer, and researcher**, through academic research and commissions from public and private organizations, he has been investigating architectural design at very different scales, ranging from small buildings to territorial-scale projects.

Since 2016, he has been an **Adjunct Professor** in courses at the School of Urban Architecture and Construction Engineering of the Politecnico di Milano in Italian and English language courses.

In 2018 he was an **Invited Professor** at the SEK University in Quito, Ecuador.

In 2016 he opened the professional studio **franzosomarinelli** in Cles with Mirko Franzoso, dedicating particular importance in his architectural practice to the themes of alpine architecture, gaining awards and recognition.

He has participated in numerous architecture competitions, winning the "Prix de Rome Giambattista Piranesi" in 2009, the Rigenera 2022 prize and Costruire il Trentino prize. He is a finalist with one of his projects in the Italian National Architecture Award (T-Young) 2021 (Triennale di Milano, MAXXI Roma).

He has been invited for conferences and lectures by institutions in **Italy, Switzerland, Slovenia, Ecuador**, and **China**, and 2022 he is a member of the jury of the **Piranesi Awards 2022**, an international architecture award promoted by the Ministries of Culture and Natural Resources and Planning of the Republic of Slovenia.

Since 2019 he has been a member of the Provincial Planning Commission of the Autonomous Province of Trento
