Monday, December 4, 2023 | 6 p.m. - 7.30 p.m.

## M-US-T Open day!

M-US-T is the first international postgraduate master's course to learn how to plan, design, manage, and evaluate temporary uses.

Join the "M-US-T Open Day"! It will be possible to **meet the directors and some experts involved, know in detail the contents, the organization, the scholarship possibilities**. Detailed information will be provided on the **6 modules**: temporary reuse of abandoned spaces, temporary uses and major urban transformation projects, public space, landscape and temporary uses, post-disaster temporary architecture and major events, and the landscape workshop. The enrolment modalities and the possibilities of **scholarships and access to reductions on the enrolment fee** will be presented.

The meeting will be at **Building 16, Bonardi Campus, room 16 C03**.

By writing to [formazione-poliedra@polimi.it](mailto:formazione-poliedra@polimi.it), you will get the link to participate online. The presentation will be in English, with a Q&A section in Italian and English.
