CURRICULUM VITAE

1. Family Name:	Basha
2. First Name:	Rozafa
3. Nationality:	[redacted]
4. Date of Birth	[redacted]
5. Gender:	[redacted]
6. Contact details:	[redacted]
Email:	[redacted]
7. Education Degree:	
Institution:	University of Prishtina, Faculty of Civil Engineering and Architecture, Kosovo
Degree Date:	07.07.2002
Degree:	Graduated Engineer of Architecture – (five-year study program equivalent to 300 ECTS degree) Degree Title: Project Proposal for a Complex of Dormitories for the Faculty of Medicine at the University of Prishtina
Mentor	Grad. Eng. Arch. Erneste Jedrashi – Qata,
Institution:	University of Lund, LTH - Faculty of Engineering, School of Architecture, Lund. Sweden (2008 – 2010)
Degree Date:	28.08.2010
Degree/ Master:	Master of Sciences in Sustainable Urban Design Degree Title: Breaking a Physical Barrier, Bridging Social and Cultural Differences
Mentors	Louise Lovenstierne and Kristoffer Nilsson
Institution:	Politecnic University of Tirana, Albania
Degree Date:	23.12.2019
Degree / Doctorate:	PhD
Thesis;	"Public spaces for all – case study Prishtinë and Prizren"
Mentors:	Prof. dr. Andrea Maliqari, Prof. dr. Violeta Nushi
8. Academic Degree:	
Institution:	University of Prishtina, Faculty of Architecture
Degree Date:	Professor Assistant (Prof.Asst.Dr.) - 30 September 2021 Teaching Assistant – November 2003 – 29 September 2021

Description:	Emergent Damage Assessment in the residential infrastructure all around Kosovo; damage Assessment in the public buildings all around Kosovo.
Dates:	August 2000–October 2000
Location:	Prishtinë, Kosovo
Name of the Institution:	**AVSI (Associazzione Volontari Per Il Servizio Internazionale),**

Position:	Architect
Description:	Supervision of several school reconstruction projects in villages throughout Kosovo, built with the contribution of this NGO, as well as technical assistance in preparing the technical documentation.
Dates:	October 2000–December 2000
Location:	Prishtina, Kosovo
Name of the Institution:	**TEI sPa (Milan, Italy)**
Position:	Assistant Engineer
Description:	Environmental engineering enterprise, TEI sPa from Milan, Italy, was contracted by European Agency for Reconstruction (EAR) to analyze and assess the situation of solid waste landfills and the ways of waste collecting and processing in the largest cities of Kosova, as well as to draft the proposal for the restoration and modernization of the existing landfills and building new landfills, based on up to date technology applied in this field today.
Dates:	April 2001–December 2001
Location:	Prishtina, Kosovo
Name of the Institution:	**Construction Company "Projectico"**
Position:	Architect/ Data Analyst
Description:	Analyzing data of reconstruction process of 4600 houses, financed by the European Commission and compiling technical reports in English and Albanian.
Dates:	August 2002–December 2002
Location:	Prishtinë
Name of the Institution:	**UCG Architecture Lab (currently Murseli+partners)**
Position:	Architect
Description:	Engaged in design of various architecture projects.
Dates:	Jan. 2003 – July 2003
Location:	Prishtina, Kosovo
Name of the Institution:	**Cooperazione Italiana and Italian Liaison Office (now Italian Embassy in Prishtina)**
Position:	Assistant/Translator-Interpreter
Description	Assistant, translator and interpreter from Italian and English into Albanian and Serbian in the cooperation projects of the Italian Cooperation and Italian Liaison Office in Prishtina.
Dates:	Sep. 2003 - 30 April 2004
Location:	Prishtina, Kosovo
Name of the Institution:	**EDUCAID** (Italian NGO)
Position:	Part-time programme assistant and translator/interpreter
Description	Part-time programme assistant and translator/interpreter (Italian and English into Albanian and vice-versa) within the project of integration in education for the regions of Prishtina and Prizren.
Dates:	2003 to date
Location:	Prishtina, Kosovo
Name of the Institution:	**University of Prishtina, Faculty of Civil Engineering and Architecture**
Position:	Teaching Assistant
Description:	Leading architecture laboratory work and assisting the course professor on academic duties for the following courses: **Architectural Design 2; Architectural Design 3; Architectural Design 4; Architectural Design (master), Design Studio – Housing (master)** Acting lecturer (trusted lectures) and leading architecture lab work in the course: **Architectural Design Basics 1 (since 2005/2006), Architectural Design 2 (since 2020/21), Architectural Design (master) (since 2020/21), Design Studio – Housing (master) (since 2019/2020)**
Dates:	January 2004–October 2004
Location:	Prishtinë
Name of the Institution:	**NARTEL Construction Company**
Position:	Architect
Description:	Engaged in the refurbishment project of Government, Ministries Building (ex-Bankos building)
Dates:	January 2005–June 2005

Location:	Prishtinë
Name of the Institution:	**UCG architecture lab (currently Murseli+partners)**
Position:	Architect
Description:	Engaged in design of various architecture projects.
Dates:	June –September 2005 and June 2006 – Dec 2007
Location:	Prishtina, Kosovo
Name of the Institution:	**Council of Europe Office in Pristina**
Position:	Part-time Architect/Technical Advisor
Description:	Advising on technical issues regarding the Reconstruction Programme overall, but in particular in preparation of tender documents, drawings and technical specifications. Overseeing construction works and staff on site and liaise with local government institutions, local Institutes for the Protection of Monuments, Municipalities and NGO's.
Dates:	November 2007 – December 2007
Location:	Prishtinë, Kosovo
Name of the Institution:	**GTZ German Development Office in Prishtina**
Position:	Architect Expert at the project "Modernization of Municipal Services – Energy Efficiency"
Description:	Professional consultancy – engaged in preparing pre-designs for refurbishment of the following public buildings: Hospital in Istog; Primary School in Magura; and Primary School Nabergjan. The refurbishment of these buildings aimed at improving the overall energy performance of these institutions.
Dates:	January – February 2010
Location:	Malmö, Sweden
Name of the Institution:	**Malmö City Planning Office – Malmö Incubator**
Position:	Urban Visionary Graphic Designer
Description:	Created high quality renders using computer and hand visualization during an intensive, 10 days design workshop. Designed a series of visionary images portraying future ideals of sustainable architecture and urban design in Malmö. The images are in use by Malmö City Planning Office, published in the publications for the Vision of Malmö 2035.
Dates:	March – May 2010
Location:	Lund and Virserum, Sweden
Name of the Institution:	**LTH, School of Architecture, Lunds University**
Position:	Exhibition Designer
Description:	In collaboration with arch Ashwin Karjaktar and Carley Friesen, concept design and construction of Lunds University's School of Architecture pavilion at the exhibition WOOD 2010, in Virserum, Sweden. Exhibition was held from May till September 2010.
Dates:	July 2012 to date
Location:	Prishtina, Kosovo
Name of Institution:	**Architectural Studio "ZAZAARK"**
Position:	Owner/ Main Architect & Urban Designer
Description:	Urban, architectural design and consulting.
Dates:	February 2012–April 2012
Location:	Prishtinë, Kosovo
Name of Institution/ project:	**World Bank, Office in Prishtina** **Project "TRACE Urban Energy Efficiency Study – Prishtina Project"**
Position:	Consultant

Description:	The objective of this assignment was to support the Project Team in implementation of the TRACE urban energy study in Prishtina, through extensive research, guided data and document collection and interviews. Areas covered by the research included: • Qualitative information about current city-level institutional arrangements, structures, project/policy approval procedures, and budgeting process; • Summary / translation of existing urban plans and initiatives that are relevant to energy usage (e.g. environmental plans, waste management plan, transport strategy, ordinances pertaining to Green Buildings); • General demographic and economic indicators for the cities; • Quantitative data on overall city energy supply and demand by sectors; • Quantitative data on existing transport, water, waste, building, power and heat, and street lighting systems; and • Quantitative data on public sector energy consumption and expenditures for different sectors. • Quantitative data on greenhouse gas emissions for different sectors.
Dates:	October 2012–October 2017
Location:	Prishtina, Kosovo – Laussane, Switzerland
Name of Project:	**Parallel Sprawl**
Position:	Researcher/ co-author/ team member
Description:	The study is done in collaboration with Swiss architects Valentin Kunik and Guillaume de Morsier from Kunik de Morsier architects, Laussane, Switzerland. PARALLEL SPRAWL is an exploration of the condition of suburban landscapes in Kosovo and in Switzerland. Its goal is to provide an exchange platform for practitioners and researchers in both countries to build a common basis allowing them to think together the future of these areas. Currently, awareness is raised in both countries about the consequences of urban sprawl. The methodology is a parallel approach, Switzerland and Kosovo. The project is supported by EPFL ALUMNI. http://parallel-sprawl.org/?page_id=2
Dates:	2013 to date
Location:	Prishtinë, Kosovo
Name of Institution:	**NGO Handikos**
Position:	Consultant/ Researcher and Project Leader
Description:	Active involvement in a great number of research and audit projects related to accessibility of public buildings, public spaces, cultural heritage buildings, etc.
Dates:	2013 – 2022
Location:	Prishtina and Prizren, Kosovo
Name of Institution:	**NGO EC MA Ndryshe**
Position:	External Professional Collaborator

Description:	Involved in the following projects: 1. Project Coordinator - project *Online Transparency*, Prishtina 2. Analyst for the project *Planning for Civil Participation and Sustainable Urban Development in* Prizren (2013 – 2016) 3. Researcher/Designer of the Map of Physical Barriers in Public Spaces in the City of Prizren. 4. Project Leader of Investigation and Visualization of Map of Urban Chaos Tophane and Dardania Neighbourhood, Prishtina 5.
